

**dotdotdot (Jeff Wayne's The War of The Worlds: The Immersive Experience)
Graphic Designer (3 month temp - perm)**

The Company

dotdotdot are the multi award-winning creators of SOMNAI, the critically acclaimed immersive experience which opened in London in March 2018. dotdotdot is quickly cementing itself as the leading technologically immersive experience - with powerful storytelling, cutting-edge technology coupled with outstanding customer service when our guests visit our experiences. With mind-blowing Virtual Reality, live actors and immersive theatre, dotdotdot is fast-becoming world-renowned, with lots of exciting projects still to come.

We opened our latest production in May 2019, Jeff Wayne's The War of The Worlds: The Immersive Experience.

The Role

We're looking for a talented 'junior-to-middleweight' graphic designer to strengthen our Marketing team in an incredibly fast paced environment, for our latest immersive experience based in London. You will be reporting to the Marketing Manager, creating anything from assets for the website, social media, brochures, advertising, menus and more. The role will initially be on a 3 month temporary basis with the intention to extend to a permanent basis.

The Person

Proficient with the Adobe Creative Cloud suite
Comfortable working under pressure and to deadlines
Has the ability to both take direction and work under own initiative
Happy whether working on production artworking or broader design briefs
Appreciates social entertainment venues e.g. SOMNAI, Secret Cinema etc.
Has a strong portfolio of work
Excels in delivering campaigns from start to finish
Confident presenting in pitches and presentations to senior staff
The flexible and positive personality who embrace continuous change

Background

Minimum of 2 years of experience in a design/creative environment
Background in designing for attractions/events/nightlife/hospitality/experiential brands desirable
Will ideally hold a design related degree

Salary: Dependent on experience
